Service information

Music: Our church organist will be happy to play for your wedding. Please make arrangements to discuss your selections as soon as possible. Call the church for our organist's phone number. Guest organists and/or other musicians may be invited upon consultation with the Pastor and organist.

Rehearsal: Allow at least one hour for the rehearsal. Ask everyone in the wedding party to be prompt. Try to arrange your rehearsal so that all of the wedding party will be present.

Wedding: The United Church of Christ observes time-honored liturgy. Feel free to discuss with the Pastor any additional readings or special music you would like added.
